RE: Application of Wyboo Plantation Utilities, Inc. for Approval of New  
Schedule of Rates and Charges for Water and Sewer Rates  
**Docket No. 2005-13-WS, ELS, File No. 1015-10306**

Dear Lessie and Wendy:

Attached, please find amended Response 2.23 to the Office of Regulatory Staff's ("ORS") Second Continuing Data Request in the above-referenced proceeding. We inadvertently attached documents to yesterday's response from Lyles Well Drilling Company that were requested by Christina Seale of the auditing department and will send those documents directly to her attention by separate cover.

Also, please find documents responding to Data Request No. 2.17 concerning amounts paid by Wyboo for SDWA fees for 2004 and 2005. These documents were "hung up" in the fax machine and were not included with our response provided to you yesterday.

These responses should now resolve all outstanding issues for Data Request No. 1 and 2. Please call if you have any questions regarding this matter.

Sincerely,

**ELLIS LAWHORNE & SIMS, P.A.**
